

2018-2019 JICARILLA APACHE TRIBAL MEMBER

HUNTING PROCLAMATION

Jicarilla Apache Nation Legislative Council Resolution# 2018-R-031-01

LICENSE INFORMATION: This proclamation provides information regarding hunting and trapping opportunities for enrolled Jicarilla Apache tribal membership. All hunters and trappers (including Designated Hunters, Senior Citizens, Mobility Impaired, and Honorably Discharged Veterans) must purchase a \$5 Jicarilla Wildlife Stamp, *except* for waterfowl/dove hunters and Jicarilla elders (70 yrs. and older). Tribal members must fill out an application for hunts they wish to apply for, and submit the application to JGFD prior to the deadline, which are specific to each hunt. Tribal members who live out of town may apply and receive licenses via mail, otherwise all applications must complete the application in person. Licenses may be released to family-members upon request. Application forms are available at JGFD. Full license fees must be received upon application, unless otherwise noted.

GENERAL HUNTING REGULATIONS

- Rewards up to \$500.00 are paid to anyone providing information that results in a conviction for fish and wildlife violations**
- Anyone convicted of violating these regulations, or any other Game and Fish offenses, will be subject to revocation of hunting and fishing privileges on the Jicarilla Apache Reservation.
- Take of all game and non-game wildlife is prohibited under Title 10 Code, unless explicitly authorized for take in this hunting proclamation. **Take is defined as:** to harass, harm, pursue, hunt, shoot, wound, kill, trap, capture, or collect, or to attempt to engage in any such conduct.
- It is unlawful to shoot at, pursue, harass, drive or rally wildlife by use of or from a motor-driven vehicle, powerboat, aircraft or drone
- Wound Policy:** if a hunter wounds an animal (draws blood), a reasonable length of time, as judged by representatives of the JGFD, will be devoted to the successful recovery of the wounded animal. It is the hunter/guide responsibility to provide specific information as soon as possible to the JGFD in reference of the wounded animal. The hunter cannot pursue any other animal and regardless of whether the wounded animal is recovered, the hunt will terminate.
- No Hunting and Restricted Hunting Zones-** include areas within ¼ mile of an occupied dwelling, and recreational areas and lakes when people are present.
- Legal Hunting Methods:**
 - Centerfire Rifle: minimum caliber for all elk, deer, and bear is .243, and minimum caliber for mountain lion is .22 center-fire
 - Shotgun: a smooth-bore gun min. caliber .20 gauge used for firing small shot at short range.
 - Archery: Hand-held bows, including compound and traditional bows must use arrows with a broadhead (fixed or mechanical). No crossbows or draw assistance devices are allowed. Only legal, hand-held bows are allowed in the field during archery seasons (no firearms). Draw weight of 40 pounds (minimum) is required. Explosive arrows prohibited.
 - Muzzleloader: Includes rifles in which the charge and projectile are loaded through the muzzle and capable of being fired from the shoulder only. Only black powder, Pyrodex or an equivalent substitute may be used. Smokeless powder is illegal. Muzzleloaders may use in-line ignition, pelleted powder, sabots, belted bullets and scopes.
- Designated Hunting** for another Tribal Member during the mule deer or cow elk hunts requires a Designated Hunter Form approved by the Director or his designate. The Designated Hunter Form must be carried by the designated hunter while in the field. Designated Hunting authorizations are non-transferrable. Designated Hunters must be enrolled Jicarilla Tribal Members, and are permitted only during the deer and antlerless elk hunts. JGFD will harvest cow elk and deer upon request. All deer harvested by JGFD or designated hunters shall be a 3x3 or smaller buck (excluding brow-tines) or any cactus buck
- Cactus Buck Definition:** A cactus buck is a male mule deer that has a condition called cryptorchidism, meaning its testes had not descended from the gut into the scrotum, or the testes were previously damaged and the animal is sterile. For hunters, the only visual indicator is the buck's antlers will remain in full (100%) velvet during the October rifle hunting season, and in some cases, permanently, allowing the buck to grow the same pair of antlers throughout its lifetime.
- Tribal Member Guides:** All Non-tribal client elk, deer, bear, and mountain lion hunters must be accompanied by a Jicarilla Tribal Member Guide. A maximum of 2 hunters per guide is permitted. Tribal member guides must have a valid driver's license.
 - Tribal guides may be cited** for acts of negligence, waste of game and other applicable violations of the annual hunting proclamation and/or Title 10 while performing guiding services.
 - Tribal members who guide hunters off the reservation during New Mexico State hunts must be licensed by the New Mexico Game and Fish Department. Contact NMGFD at (505) 476-8000 for details.
- Tribal Members may only hold 1 of the following licenses per year: turkey, mule deer, bull elk, cow elk and antelope, except for Horse Lake Mesa hunts which is considered a separate hunt unit thus tribal member application or participation in this hunt does not impact reservation bull or cow elk, bear, or mule deer applications or status.
- For rifle bull elk, Spring turkey, Horse Lake Mesa Game Park, and Once-in-a-Lifetime hunts, only the person issued the license can hunt. No designating or transferring of hunting license is permitted
- Mobility Impaired:** an individual with a permanent impairment that:
 - limits his/her mobility to a walker, wheelchair or crutches
 - severely restricts movement in both arms; and/or
 - has combination of permanent disabilities which cause comparable functional limitationsOnly the person meeting the mobility impaired requirements will be issued the license, and only this individual can hunt, unless the mobility impaired hunter specifically requests and is permitted to use a designated hunter by the JGFD Director.
 - Mobility Impaired Hunters can shoot from a stationary vehicle that is not on an established road or highway. Upon clearly wounding a legal game animal, a mobility impaired hunter may be assisted by another person to track, retrieve and/or kill the game. All other laws must be followed.
- Trespass:** During tribal big game hunting seasons, **non-tribal members cannot accompany tribal members in the field, except for immediate family members** (father, mother, brother, sister, son, daughter, spouse, grandparent, grandchild, stepparent, legally married spouse). Any other non-tribal member found in the company of a tribal member will be cited, along with the tribal member hunter.
- Legally married non-tribal member spouses** must be accompanied by a tribal member immediate family member, who is an adult or youth who holds a valid hunting license. **Hunt Application must be co-signed** by a

- legally married, enrolled tribal member spouse of the applicant.
16. **License Refunds and Transfers:** The JGFD Director may grant the refund or transfer of a hunting license if: the licensee has died, sustained a severe injury or suffered a life-threatening illness, preventing participation; the licensee has been deployed by the United States military prior to the start of the hunt, prohibiting participation; or a natural disaster has occurred, preventing the hunt. Requests must be made one (1) week prior to the first day of hunt.
 17. Extension of hunt dates or application deadlines is not allowed.
 18. **Youth Tribal Member** hunters 17 years old and under must have completed a Hunter Safety Program and must present a Hunter Safety Card when purchasing license; and carry the card while hunting.
 19. **A \$5.00 Jicarilla Wildlife Stamp** is required for all Tribal Members who hold a hunting license (including designated hunters), except for elders. Only one (1) Wildlife Stamp is required for the license year April 1, 2018 - March 31, 2019.
 20. **Shed Antlers and Skulls:** Non-tribal members are prohibited from picking up cast antlers or skulls on the Jicarilla Reservation and from accompanying tribal members who are antler hunting, except for immediate family members (legally married spouse, children, parents or siblings).
 - a. Any skull with antlers attached require a donation permit issued by the JGFD before they can be sold. Possession of antler(s) cut-off from the skull is illegal on the Jicarilla Apache Nation
 21. Jicarilla Legislative Council has prohibited collection of shed antlers in the Game Park (Resolution No. 2003-R-453-10). All shed antlers found in the Game Park must be turned over to the Department which are sold and funds deposited into the Youth Development Fund.
 22. **Waste of Game:** All edible portions of harvested game must be transported to a place for human consumption, or provisions must be made to provide for human consumption.
 23. **Skinning Shed:**
 - a. The JGFD Skinning Facility is for Licensed Reservation Hunters only
 - b. All carcasses and meat left in the skinning shed for more than 2 days will be forfeited. Requests for additional days will be considered by JGFD but must attain prior approval
 - c. All carcasses or meat in the skinning shed must be clearly and completely labeled with the following: Hunter's name, date of harvest, hunting license number on a meat tag available at the skinning shed or the actual carcass tag from the license.
 - d. Citations will be issued to hunter(s) and/or guide(s) and carcasses/meat will be forfeited if found after the allotted time frame, improperly labeled, or if the meat/carcass is in danger of spoiling or has spoiled.
 - e. Clean your area: Littering citations will be issued to hunters/guides who do not properly dispose of trash and animal remains after use
 - f. Hunters and guides may be cited for skinning shed violations
 24. **Possession, Donation or Sale of Game:** Any person wishing to donate meat must supply the recipient with a donation slip available at the Game and Fish Office. It is unlawful to possess game without a proper license or without other evidence the game has been taken legally. Carcasses, meat and internal organs may be donated however it is illegal to sell game meat
 25. Tribal members guiding hunters during New Mexico State hunts can only use the following routes to access adjacent state hunt areas: NM 112; NM Highway 537; U.S. 64; U.S. 550; Forest Road 314, Forest Road 357 (Gasbuggy Road); Cooper-Neil Road-south of NM 112; Forest Road 300; Forest Road 301, and J-19 (Lindrith road).
 26. It is illegal to resell any Jicarilla hunting license and; it is illegal to purchase any Jicarilla hunting license from anyone other than the JGFD or authorized vendor (Resolution No. 2000-R-408-10).
 27. **Licenses and Tagging:** Big Game Licenses must be signed to be valid. All big game hunters must detach and fill out his/her tag immediately upon killing an animal. The tag must be attached to the carcass before transporting. Untagged carcasses will be confiscated and the hunter will be cited.
 28. The head must remain attached to the carcass of all big game harvested until it reaches the skinning shed or residence.
 29. **Bounty:** Pending funds, coyote bounty 2018-19 is \$40.00. Mountain lion bounty is \$200.00, paid only to tribal member hunters (no client harvested Mountain lions). Only coyotes and mountain lions harvested on the Jicarilla Apache Nation are eligible for bounty payment. The full coyote carcass must be brought to JGFD. Mountain lion carcasses and hides are allowed but must be marked by JGFD office- no pictures will be accepted for bounty. License is required.
 30. Only dogs owned and run by Jicarilla Tribal Members can be used to pursue mountain lion or bear on the Jicarilla Apache Reservation. All dogs used in bear and lion hunts must have tags bearing the name, address and phone number of the owner. The hunter must be present when the dogs are released on the trail of a mountain lion or black bear.
 31. Any Applicant who is a felon per state and federal law shall be restricted to the use of archery equipment only if successful in drawing or purchasing a license that allows for the use of a firearm, and will be subject to abiding by existing Jicarilla Apache Nation archery qualifications, schedules, and other archery hunting rules and regulations.
