IMPORTANT- PLEASE READ!

Our community and reservation faced unfortunate challenges, loss, and unprecedented situations common across the world in 2020. Our decision to postpone and/or cancel all non-tribal 2020 hunts and Spring 2021 hunts was difficult to make, but was made in earnest to protect our community, our hunters, and to do our part in reducing the spread of the virus. Barring any unforeseen circumstances, we plan to welcome back our visiting hunters and others in Fall of 2021.

CARRYOVER LICENSES—many licenses sold in 2020 were rolled into 2021. These 2020 carryover licenses have reduced or eliminated availability of certain 2021 license quotas. These license types will be marked as **"SOLD OUT"** throughout this proclamation. If you rolled over your hunt last year- THANK YOU for your patience and trust in the Department. We will be mailing out your rolled over licenses automatically. If you do not have a rollover license, please review each license type for more information before applying.

2021 HUNTING GUESTS—as the Jicarilla Apache Nation continues to address the many challenges associated with the pandemic, we intend to move forward with Fall Hunts. We will constantly monitor the latest public health information and safety protocols, and will do so through the season. The Jicarilla Apache Nation mandates **masks in public places**, social distancing, and strongly recommends visitors receive the **COVID-19 vaccine** prior to arriving. We respectfully request that our guests **simply stay home if you don't feel well**, and if that means you may miss your 2021 trip to the reservation, we will reward your honesty by refunding 100% of your license fees no questions asked. It will take all of us to make 2021 healthy and prosperous. Thank you for your patience, cooperation, and understanding.

Stay well. -JGFD Staff
