

JICARILLA APACHE ENROLLED TRIBAL MEMBER HUNTING PROCLAMATION

Season Year: April 1, 2023-March 31, 2024

Jicarilla Apache Nation Legislative Council Resolution 2023-R-025-02

LICENSE INFORMATION: This proclamation provides information regarding hunting and trapping opportunities for enrolled Jicarilla Apache tribal members and legally married spouse. Tribal members who live outside of Dulce may apply and receive licenses via USPS mail. All applications must be completed and signed by the applicant; application forms are available at JGFD or can be emailed to tribal members upon request. Applicable license, application and/or stamp fees must be received upon application. Rifle bull elk and Mule deer draw applications require a \$10 non-refundable draw fee; applicable license fees are due by the first day of the hunt. A one-time \$5.00 Jicarilla Wildlife Stamp is required for all Tribal Members (except elders) who hold a license or designate hunt for the license year April 1, 2023-March 31, 2024.

GENERAL LAWS, REGULATIONS, and RULES

NOTICE: In addition to the rules and regulations found in this proclamation, a partial listing of Jicarilla Apache Nation wildlife laws (Title 10) applicable to tribal member hunts are summarized herein. A complete copy of Title 10 is available at the Jicarilla Game and Fish office, upon request.

1. **REPORT POACHERS & ILLEGAL ACTIVITY, EARN A REWARD:** Rewards up to \$500.00 are paid to anyone providing information that results in a conviction for any Title 10 or Proclamation rules and regulations.
2. Anyone convicted of violating Title 10 or Proclamation rules and regulations, will be subject to revocation of hunting and fishing privileges on the Jicarilla Apache Reservation.
3. Take of all game and non-game wildlife is prohibited under Title 10 Code, unless explicitly authorized for take in this hunting proclamation. **Take is defined as:** to harass, harm, pursue, hunt, shoot, wound, kill, trap, capture, or collect, or to attempt to engage in any such conduct.
4. It is unlawful to shoot at, pursue, harass, drive or rally wildlife by use of or from a motor-driven vehicle, powerboat, aircraft, including un-maned aircraft (drones).
5. **Legal Hunting Methods:**
 - a. Legal Shooting Hours: ½ hour before sunrise, ½ after sunset (unless otherwise noted)
 - b. Centerfire Rifle: minimum caliber for all elk, deer, and bear is .243, and minimum caliber for mountain lion is .22 center-fire. Suppressors are prohibited.
 - c. Shotgun: a smooth-bore gun min. caliber .20 gauge used for firing small shot at short range.
 - d. Archery: Hand-held bows, including compound and traditional bows must use arrows with a broadhead (fixed or mechanical). No crossbows or draw assistance devices are allowed. Only legal, hand-held bows are allowed in the field during archery seasons (no firearms). Draw weight of 40 pounds (minimum) is required. Explosive arrows prohibited.
 - e. Muzzleloader: Includes rifles in which the charge and projectile are loaded through the muzzle and capable of being fired from the shoulder only. Only black powder, *Pyrodex* or an equivalent substitute may be used. Smokeless powder is illegal. Muzzleloaders may use in-line ignition, pelleted powder, sabots, belted bullets and scopes.
6. **Tribal Member:** any individual enrolled as a member of the Jicarilla Apache Nation verified by a census identification number issued by the Jicarilla Apache Nation government.
7. **Non-Tribal Member:** an individual who does not have a valid census number issued by the Jicarilla Apache Nation government.
8. **Tribal Member Age Categories** (at time of application): updated 2021 (Resolution No. 2020-R-080-03)
 - Youth: 17 years old and under. A valid Hunter Safety Card is required to apply for a license
 - Adult: Ages 18-59
 - Senior Citizen: Ages 60-69
 - Elder: 70 years and older
9. **Immediate Family Members:**
 - a. **Tribal Member Immediate Family:** family members within a second degree of kindred, all of whom are enrolled tribal members of the Jicarilla Apache Nation. Second degree of kindred means a father, mother, brother, sister, son, daughter, spouse, or grandparent.
 - b. **Non-Tribal Family Members:** family members of an enrolled Jicarilla Apache tribal member who are within a first degree of kindred but are not enrolled in the Jicarilla Apache Nation. First degree of kindred means a father, mother, son, daughter, siblings, or legally married spouse. Non-tribal family members must be accompanied by an adult tribal member who is an immediate family member for all allowed hunting activities except for non-tribal spouses who may accompany their enrolled tribal member children while hunting.
10. **Designated Hunter:** an enrolled Tribal Member who is authorized by JGFD to harvest game for another tribal member (see regulations below). A *designated hunter form* approved by the JGFD Director or his designate is required and must be carried by the designated hunter while in the field. Designated Hunting authorizations are non-transferrable. Designated hunting is not allowed for: Rifle bull elk, All Deer (except for elder/senior citizen/mobility impaired), spring turkey, Horse Lake Mesa Game Park, and once-in-a-lifetime hunts. JGFD may harvest cow elk and buck deer upon request.
 - a. **Mule deer buck:** designated hunters may harvest a bag restricted mule deer buck (October hunt only), field dress, skin, and deliver meat to an **elder/senior citizen** license holder who requests this service (form). The designated hunter must be an immediate family member of the elder. All deer harvested by JGFD or designated hunters shall be a 3x3 or smaller buck (excluding brow-tines) or any cactus buck (antlers are 100% velvet during the October rifle hunting season).
 - b. **Cow elk:** designated hunters may harvest an antlerless elk (early or late season), field dress, skin, and deliver meat to any other tribal member who requests this service. Tribal member spouses may designate hunt for a cow elk license held by their legally married non-tribal spouse.

11. **Mobility Impaired:** an individual with a permanent physical impairment confirmed in writing by a Medical Doctor or equivalent that:
 - limits his/her mobility to a walker, wheelchair or crutches
 - severely restricts movement in both arms; and/or has combination of permanent disabilities which cause comparable functional limitations
 Mobility Impaired Hunters can shoot from a stationary vehicle that is not on an established road or highway. Upon clearly wounding a legal game animal, a mobility impaired hunter may be assisted by another person to track, retrieve and/or kill the game. Only the person meeting the mobility impaired requirements will be issued the license, and only this individual may hunt, unless the mobility impaired hunter specifically requests and is permitted to use a designated hunter by the JGFD Director.
12. **Tribal Member Guides:** an enrolled tribal member who is hired to guide a non-tribal client during his/her hunt. A tribal member guide is required for most hunts. A maximum of 2 hunters per guide is permitted. Tribal member guides must have a valid driver's license and must be legally able to participate in firearm related activities.
 - a) **Tribal guides may be cited** for acts of negligence, waste of game and other applicable violations of the annual hunting proclamation and/or Title 10 while performing guiding services.
 - b) Tribal members who guide hunters off the reservation during New Mexico State hunts must be licensed by the New Mexico Game and Fish Department. Contact NMGFD at (505) 476-8000 for details.
 - c) Tribal members guiding non-tribal hunters during New Mexico State hunts can only use the following routes to access adjacent state hunt areas: NM 112; NM Highway 537; U.S. 64; U.S. 550; Forest Road 314, Forest Road 357 (Gasbuggy Road); Cooper-Neil Road-south of NM 112; Forest Road 300; Forest Road 301, and J-19 (Lindrith road). All other access to surrounding non-reservation lands is exclusive to enrolled tribal members.
13. **Once-in-a-Lifetime License:** A license that can only be issued once in an applicant's lifetime. This license may not be applied for if an individual has previously held one.
14. **Hard Luck mule deer license policy:** a guaranteed general license may be issued to tribal members who consecutively apply (no gaps in applications) for, but were unsuccessful in holding a general mule deer or archery buck license 4 out of 5 previous seasons. Licenses are issued to eligible applicants on the 6th year
15. **Wound Policy:** if a hunter wounds an animal (draws blood) it is the hunter/guide's responsibility to provide specific location and wound information as soon as possible to the JGFD. The hunter/guide cannot pursue any other animal for the duration of the permitted hunt dates, and regardless of whether the wounded animal is recovered, the hunt will terminate.
16. **No Hunting and Restricted Hunting Zones:** areas within ¼ mile of an occupied dwelling and recreational areas when people are present.
17. **Hunt Guests:** During all tribal hunting seasons, **non-tribal members cannot accompany tribal member hunters in the field, except for immediate family members** (see definition). Any other non-tribal member found in the company of a tribal member may be subject to civil penalty, along with the licensed tribal member hunter.
18. Tribal member hunters may only hold one (1) of the following licenses per year: turkey, mule deer, bull elk, black bear and pronghorn antelope. Tribal members may hold up to two (2) reservation antlerless elk licenses per season year, but may only hold one antlerless elk license at a time (Second cow elk licenses will be sold/issued upon 1st tag harvest reporting). Horse Lake Mesa hunts which is considered a separate hunt unit thus tribal member application or participation in this hunt does not impact nor count towards reservation bull or cow elk, bear, or mule deer applications or status.
19. **License Refunds and Transfers:** The JGFD Director may grant the refund or transfer of a hunting license if: the licensee has died, sustained a severe injury or suffered a life-threatening illness; the licensee has been deployed by the United States military prior to the start of the hunt, prohibiting participation; or a natural disaster has occurred. Requests must be made one (1) week prior to the first day of hunt.
20. Extension of hunt dates or application deadlines is not allowed.
21. **Shed Antlers and Skulls:** Non-tribal members are prohibited from picking up cast antlers or skulls on the Jicarilla Reservation and from accompanying tribal members who are antler hunting, except for immediate family members (see definition).
 - a. Any skull with antlers attached require a donation permit issued by the JGFD before they can be sold. Possession of antler(s) cut-off from the skull is illegal on the Jicarilla Apache Nation
 - b. Personal shed antler hunting and collection in the Horse Lake Mesa Game Park is prohibited (Resolution No. 2003-R-453-10). Any shed antlers found incidentally in Horse Lake Mesa Game Park must be turned into JGFD.
22. **Waste of Game:** All edible portions of harvested game must be transported to a place for human consumption, or provisions must be made to provide for human consumption.
23. **Skinning Shed:**
 - a. The JGFD Skinning Facility is for Licensed Reservation Hunters only
 - b. All carcasses and meat left in the skinning shed for more than 2 days will be forfeited. Requests for additional days will be considered by JGFD but must attain prior approval.
 - c. All carcasses or meat in the skinning shed must be clearly and completely labeled with the following: Hunter's name, date of harvest, hunting license number on a meat tag available at the skinning shed or the actual carcass tag from the license.
 - d. Citations will be issued to hunter(s) and/or guide(s) and carcasses/meat will be forfeited if found after the allotted time frame, improperly labeled, or if the meat/carcass is in danger of spoiling or has spoiled.
 - e. Clean your area: Littering citations may be issued to hunters/guides who do not properly dispose of trash and animal remains after use
 - f. Hunters and guides may be cited for skinning shed violations
24. **Possession, Donation or Sale of Game:** Any person wishing to donate meat must supply the recipient with a donation slip available at the Game and Fish Office. It is unlawful to possess game without a proper license or without other evidence the game has been taken legally. Carcasses, meat and internal organs may be donated however it is illegal to sell game meat under tribal and federal laws
25. It is illegal to resell any Jicarilla hunting license and; it is illegal to purchase any Jicarilla hunting license from anyone other than the JGFD or authorized vendor (Resolution No. 2000-R-408-10).
26. **Licenses and Tagging:** Licenses must be signed to be valid. All big game hunters must detach and fill out his/her tag immediately upon killing an animal. The tag must be attached to the carcass before transporting. Untagged carcasses will be confiscated and the hunter will be cited.
27. **Bounty:** Bounty payment is a management tool and is exclusive to enrolled tribal members who legally harvest coyotes and/or mountain lions within Jicarilla Apache Nation lands. Party hunting, submittal of coyotes killed by non-tribal members, off-reservation harvest, and submitting coyotes obtained from any other source is illegal, and will be prosecuted to the fullest extent of the law. *Jicarilla Game and Fish Department reserves the right to refuse*

bounty payment for lions or coyotes of unknown origin, or are deemed suspicious, abnormal, or evidentiary.

- a. Pending funds, coyote bounty is \$40.00. Mountain lion bounty is \$200.00, paid only to tribal member hunters (no client harvested mountain lions). Only coyotes and mountain lions harvested on the Jicarilla Apache Nation are eligible for bounty payment. The full coyote carcass must be brought to JGFD for bounty application. Mountain lion carcasses are preferred for bounty application but full hides are allowed. All animals submitted for bounty must be marked by JGFD office. No photos will be accepted for bounty. License(s) are required.
28. **SPECIAL PERMIT FOR 24 hours/day PURSUIT:** Per Title 10, a special permit is REQUIRED for tribal member lion hunter guides pursuing mountain lions after traditional legal shooting light (night) to allow the use of artificial light. Special permits are available by appointment with Conservation Law Enforcement, and approved by the Director of the Game and Fish Department. 24-hour hunting is only allowed for the pursuit of mountain lions. The pursuit and take of all other wildlife must follow legal hunting hours and regulations, including species associated with dog pursuit such as bobcats and bears.
 - a. Special permits are valid for each season year (4/1 through 3/31). Any tribal member participating in any activities associated with the pursuit and take on a mountain lion outside of legal shooting hours must obtain a special permit.
 - b. Without a special 24 hr./day permit, all lion hunt activities must follow legal hunting hours (½ hour before sunrise, ½ hour after sunset).
 - c. Artificial Light:
 - i. Artificial lights used for scouting, cutting track, or any activities associated with locating a track must be fixed, and have a downward angle that allows the hunters/scouts to locate and identify tracks as they cross a legal right of way (excluding normal use of vehicle headlights). Any other lights that protrude outwards or scan hillsides, flats, etc. shall constitute spotlighting (Class D offense).
 - ii. After a track is located and dogs are released:
 1. the licensed hunter must be present when the dogs are released on a track
 2. artificial handheld lights may be used to aid in the pursuit and take of the mountain lion
29. Only dogs owned and used by enrolled Jicarilla Tribal Members can be used to pursue mountain lion or bear on the Jicarilla Apache Reservation. All dogs used in bear and lion hunts must have tags bearing the name, address and phone number of the enrolled tribal member owner. The licensed hunter must be present when the dogs are released on the trail of a mountain lion or black bear.
30. Any applicant who is a felon per state and federal law shall be restricted to the use of archery equipment only and will be subject to abiding by existing Jicarilla Apache Nation archery qualifications, schedules, and other archery hunting rules and regulations.
31. Duplicate licenses (if allowed) for all hunts will be \$10
32. 2023 Archery Qualifications Rules
 - a. **Purpose:** to encourage marksmanship, ethics, proper gear selection, and overall proficiency in an effort to minimize wound loss for big-game archery hunts.
 - b. **Location:** Jicarilla Game and Fish Office, Dulce NM
 - c. **Dates and Time:** Every Sunday July 16-until permits are sold out from 2pm to 6:30pm
 - d. **Draw Weight:** Forty (40) pound minimum draw weight will be checked and enforced for all archery hunters
 - e. **Distance:** Compound: 30 yards, Traditional: 20 yards
 - f. Individuals will qualify if they can group 3-arrows within a 7-inch circle, no line cutting, verified by JGFD Conservation Officer(s) in charge, all decisions are final.
 - g. **Attempts:** A maximum of 4 attempts per qualification day will be granted for hunters traveling from outside Dulce, all others will be given 2 attempts per day
33. **Secure Gate Law:** it is unlawful to purposely damage or negligently leave a gate unlocked or open when the gate was closed when first encountered or the gate is posted to remain closed at all times

HARVEST REPORTING is extremely important to wildlife management.
EVERY TIME YOU REPORT YOU ARE ENTERED INTO A PRIZE DRAWING!

All Hunters, Designated Hunters, and Guides:

- Whether successful or not, fill out a **Harvest Reporting Survey (tooth envelope) for each license held**
- Bring your harvested Buck, Bull for pictures and **antler scoring**
- **Pull lower incisor (2) teeth** from all harvested big-game (including Bear and Lion). Teeth are used to determine age

New!

Tribal members may hold up to two (2) reservation antlerless elk licenses per season year, but may only hold one at a time. Second cow licenses will be sold/issued upon 1st cow license harvest reporting.
